

During the 2017/2018 reporting period, Universidad Pontificia Bolivariana undertook a number of activities that underscore its commitment to UNAI and its principles. The following examples stand out as particularly noteworthy:

II CONGRESS INTERNATIONAL BUSINESS MANAGEMENT 2017/09/ 27-28-29

The International Congress in International Business Administration -CIANI-, is an event held every two years by the Faculty of Business Administration from Universidad Pontificia Bolivariana, Bucaramanga. The event provides an academic space presenting conferences and workshops relating to international business, dictated by national and international experts. In the same way, the event offers a space to share research projects (presentations) made by Colombian researchers and outside of pre-degree and postgraduate studies.

This event allows you to generate tools to develop strategies of internationalization that enable an understanding of the world and overcome the challenges that motivates the globalization.

SUSTAINABLE UPB PROGRAM

The Universidad Pontificia Bolivariana as a national system UPB, has stated that its strategic lines, its macro-processes and areas of action, that is, its governance, fall under the principles of sustainability to realize its great promise of value, which are based on the principles of economy, environment and society (Professor Nicholas Fernando Molina Sáenz, 2018). See more news [here](#).

The graphic features the UPB logo and accreditation information at the top left. A red bird is on the left, and a red flower is on the right. The main text asks '¿Sabes cuáles son las dimensiones de la sostenibilidad en las que se enfoca la UPB?'. Below this, three colored boxes represent the dimensions: blue for 'Dimensión 1', green for 'Dimensión 2', and yellow for 'Dimensión 3'. Each box contains an icon and a label: a handshake for 'Sociedad', a hand holding a plant for 'Medio Ambiente', and a hand holding a dollar sign for 'Economía'. A small vertical text 'de Producción' is on the far right.
