

## UNAI MEMBER ACTIVITY REPORT 2016/2017

### Lovely Professional University

#### India

During the 2016/2017 reporting period, Lovely Professional University undertook a number of activities that underscore its commitment to UNAI and its principles. The following examples stand out as particularly noteworthy:

As an inductee in the UN Academic Impact serving its first year, our institution primarily focused on engaging and encouraging our students, most of them in an undergraduate or graduate program to be involved in supporting the work of the United Nations. Lovely Professional University has promoted a student organization "United Nations Youth Community" as a Tier 3 organization that will initiate and promote activities that support the mission of the United Nations.

This student organization has been involved in promoting Global Citizenship as a Principle of the UN Academic Impact, by running programs within the campus and outside that aim at teaching young leaders the art of diplomacy and negotiation, as well as looking at global issues with a local perspective. The organization conducted a Model United Nations Conference on the theme: "The World is a Family, our Family"

As of the moment, our institution has not began a research activity that is specifically in this regard, however, we are looking forward in the upcoming year to motivate our students in the post graduate programs to look at matter that may help make the World a Better Place and that will contribute to the Sustainable Development Goals. We are, however, currently engaged in teaching our staff and academic community about the Sustainable Development Goals and encouraging them to be involved in their achievement.
