## Baltic Sea Region University Network

### Poland

Baltic Sea Region University Network (BSRUN) organized various events during the 2013-2014 period that underscore the United Nations Academic Impact (UNAI) initiative's principles of capacity building in higher education systems, global citizenship through education, sustainability through education and inter-cultural dialogue and understanding:

In May of 2013, BSRUN hosted its annual "Green University" forum on topics related to sustainability. The conference took place at the University of Warmia and Mazury in Olsztyn, Poland.

The Network also hosted a seminar—in conjunction with the Modernization Partnership for the South Eastern Baltic Area—on "Creativity and Cooperation in the South Eastern Baltic Area". This event took place in Kaliningrad, Russia on the 7<sup>th</sup> and 8<sup>th</sup> of June, 2013.

Finally, BSRUN organized the event "Frameworks for University Cooperation in the Baltic Sea Region" alongside the Council of the Baltic Sea States (CBSS). The forum was held in Turku, Finland on the 28<sup>th</sup> of October 2013.
