

UNAI MEMBER ACTIVITY REPORTS 2013-2014

Felician College

United States of America

During the 2013-14 period, Felician College continued to demonstrate its commitment to promoting core UNAI principles. Of particular note are the following projects:

The Felician College UN Fellows conducted two lecture series (Spring 2013, Winter 2013) on the issue of human trafficking—including implications related to the Super Bowl, which was held in the immediate vicinity of the College at nearby Met Life Stadium. A capacity crowd heard about the horrors of human trafficking and its impact on the local and global scale. Guests to the events included Assemblywoman Valerie Vainieri Huttle (D-37), a proponent of anti-trafficking legislation, and Patricia Devine-Harms, legislative chair for the New Jersey-based Coalition Against Human Trafficking.

The efforts of the College and its students in publicizing issues related to human trafficking resulted in a TV interview on the topic.
