

UNAI MEMBER ACTIVITY REPORTS 2013-2014

Kyiv National Economic University

Ukraine

During the 2013-14 reporting period, Kyiv National Economic University (KNEU) engaged in a number of activities that underscore its on-going commitment to UNAI and its principles. The following example stands out as particularly notable.

Kyiv National Economic University—leveraging the combined knowledge of its students and professors—developed and launched an open online educational program, called iLearn. The platform is designed to prepare pupils from orphanages for Ukraine’s standardized external testing (SET) process. During the current reporting period, more than one hundred lectures on subjects including math, Ukrainian language, literature, English, and history have been developed and delivered to more than 340 online users, and around 40 professors and students from Kyiv National Economic University have taken part in the project.
