

UNAI MEMBER ACTIVITY REPORTS 2013-2014

Roosevelt University

USA

During the 2013-14 reporting period, Roosevelt University has engaged in a number of activities that underscore its on-going commitment to UNAI and its principles. The following examples stand out as particularly notable:

In celebration of UN Human Rights Awareness Week and in partnership with Amnesty International, Roosevelt University hosted an event featuring guest speaker Kalaya'an Mendoza, a San Francisco-based field organizer with Amnesty International.

Another event, in March of 2014, aimed to raise awareness of global poverty and advances in addressing and eradicating preventable diseases. Featuring presentations by Tzviatko Chiderov from ONE.org and Roosevelt University's own Dr. La Vonne Downey, the event was widely held to be a rousing success.

Several representatives from the University attended Amnesty International's annual conference, which was held in Chicago in 2014. These individuals also took part in a protest rally organized alongside the conference, which aimed to expose human rights violations and torture of suspects by the Chicago Police Department.
