## Shumei University

### Japan

During the 2013-14 reporting period, Shumei University has engaged in a number of activities that underscore its on-going commitment to UNAI and its principles. The following example stands out as particularly notable:

During the annual Shumei University festival on November 9<sup>th</sup> and 10<sup>th</sup>, 2013, students assigned to a UNAI study group created a poster documenting their research, and subsequently presented on the activities of the UN's Academic Impact Initiative for festival attendees. Some of those in attendance were so affected by this presentation that they chose to write their graduate theses about UNAI and its mission.
